

FIX YOUR FELINE FUND

reduce stray
population

help prevent
unwanted litters

If you cannot afford to have your cat spayed or neutered, and you live in the Dunkirk or Fredonia community, help may be available through the Fix Your Feline Fund.

There are many positive benefits to the spaying or neutering of your pet. The most obvious are the prevention of unwanted litters of kittens and the reduction of the stray population.

To apply for assistance, call:
Dunkirk Animal Clinic, 366-7440
Fredonia Animal Hospital, 679-1561
Westfield Veterinary Hospital, 363-6373
